Caney Ranger District Road Closure

Homer-- Caney District Ranger, Tonika Goins has reported Forest Road 837 which has a bridge crossing that was damaged after a storm back in November, has been damaged further after the last two storms in the area. The bridge is almost completely washed out. Due to public health and safety, Ranger Goins is requesting a closure order for FS Road 837. Many users are trying to access the road and bridge. This road is located on the Caney Unit of the District. Forest Service officials will be placing signs and barricades at the road access site. Please call Caney Ranger District for travel detour information at 318-927-2061.
